## Criteria for new projects

**In order to be eligible, your organisation or project must meet the following criteria:**

- \* A small to medium sized, non-profit project/organisation, based in Belgium.
- \* An inclusive project/organisation aiming to empower young people in vulnerable contexts through training, in order to foster professional integration and/or citizenship.
- \* An innovative project/organisation wanting to scale up its concept and increase its sustainability over time.
- \* A project/organisation increasing its impact through collaborations with other actors of its ecosystem.
- \* A project/organisation led by a competent team with adequate expertise, clear governance principles and both stable and transparent financial affairs.
- \* A project/organisation open to interactions and collaborations with Collibri Foundation, willing to connect its beneficiaries with other youngsters of the Collibri Foundation community, with other partners of Collibri Foundation and with Colruyt Group employees.

**Projects of the following nature will NOT be considered:**

- \* (School) construction projects
- \* Grant giving projects (2nd line)
- \* Sponsoring and projects of an event-based nature (events, exhibitions, etc.)
- \* One-off actions
- \* Crowdfunding or fundraising campaigns
- \* Politically or religiously related projects
